What is Summer Camp all about?

Do you love horses? Want to spend more time and learn tons about what the love of horses is all about?

Our summer riding program is geared towards all that! All levels of riders who love spending time with horses will learn each day about good horsemanship, basic handling, cleaning, caring for the everyday needs of the horses and so much more!

Along with our summer program, we offer regular afternoon and evening lessons. We have a full boarding and training facility with an indoor area. We also have helmets, paddock books and half chaps available for purchase.

HP Bucks

Each week there will be things the campers will learn or be challenged with. Whether it be their riding or something they are learning about, they have the opportunity to an "HP Buck". If you accomplish your goals or improve in your riding you may receive a buck. At the end of camp a silent auction will be held where the campers can use these bucks towards and receive awesome prizes. Each day you attend camp you will receive a buck as well. Thursdays will include a trivia competition for chances to win prizes and extra HP bucks!

When is Camp?

Camp is 7 weeks of pure horse fun! It is 3 days a week, Tuesday - Thursday from 9:00am - 1:00pm. We must know in advanced for arrangements to arrive early or stay later.

Cost: \$40.00 per day or \$840 for the entire program.

** For the top attendees, there is an awesome award that is given at the end of camp**

Each of the campers need:

- **A bag lunch and drink**
- **Long pants**
- **Shoe with a heel**
- **Hidden Ponds will provide a helmet if you do not have one**

Barn Sleepover

On the 4th week of camp we will host a barn sleepover. You must have attended 6 days of camp in July to be able to participate. On this day the fun doesn't end at 1pm. Ask for more details!

Fun Show

Camp ends with a FUN SHOW where the campers get to show off all that they have learned throughout their time at camp. Parents and family members welcome. This day will be longer than the rest, so please plan wisely. There will also be a picnic following the show. You don't want to miss this fun filled day that concludes summer camp!
